

An invitation to help celebrate  
World Bee Day 2021 and the  
importance of bees for Food Security,  
Biodiversity and Ecosystem Health.

# The Bees

of Grand Staircase-Escalante

Dr Max Whitten, Chair of The When Bee Foundation and  
Dr Jane Melville, Chair of Taxonomy Australia, cordially invite you

To the Australian Film Premiere of  
*The Bees of Grand Staircase-Escalante*

Thursday 20 May, 2021 • 7.30pm AEST & 7.30pm AWST

The screening is online so you,  
your family and your colleagues  
can watch it from the comfort  
of your homes.

An interactive screening platform  
allows you to be seated at a  
'virtual table' and communicate  
with friends and colleagues.

The online screening will raise  
funds for a campaign to discover  
and document Australia's  
remaining bee species.

We would be delighted if you would show your support for  
this campaign by **buying a ticket or booking a table by 18 May**  
and sharing this invitation with friends and colleagues.

**Tables for up to 8 people.**  
**Tickets \$12 each** (+ booking fee).

72 hour viewing licence.

An interactive Q&A with  
Australian native bee experts  
will follow the premiere.
